My Week

by Eleanor Roosevelt

I held my first staff meeting at the office of Civilian Defense and I think it cleared up certain difficulties of procedure which are not yet organized within the office itself.

I came back that day to the White House for my usual personal press conference. I had asked Dr. Harriet Elliott, the commissioner of the Division of Consumer Protection, to attend, so as really to stimulate a discussion on the whole question of the increased cost of living. There is no question in my mind that we must have some method which is legal to control the rise in prices. It cannot be done by voluntary participation alone, nor by the action of community groups, because it is too difficult for people in the communities to get information on which they can act. I am happy to know that representatives of consumer interests will be appointed on defense councils.

More than this is needed, however, particularly when you realize that the snowball of rising prices has rolled up very rapidly in the past four months, and in some cases this increase is higher already than it was during the last World war. We must profit by our former experience and realize that prices which go up must eventually come down, and the coming down process is a very difficult one.

SOUTH AMERICAN VISITORS

At luncheon one day Miss Mary Winslow brought two very delightful guests, Senorita Graciela Mandujano of Chile and Senora Ana Rosa de Martinez-Guerrero from the Argentine. Senorita Mandujano, whom I have had the pleasure of meeting before, has traveled in many parts of the United States since her arrival here last spring, so she must now feel quite at home in our country. She has just spent some time in Maine and announced to me that she had become a Republican.

Senora de Martinez - Guerrero brought me an interesting scroll signed by many of the women of Buenos Aires who have joined together to aid the women in other countries who are fighting Naziism. They call their organization "Junta de la Victoria." Senora de Martinez-Guerrero, who is a very charming young woman, has lately been interested in building a hospital. I have long known that the control and the management of the hospitals in the Argentine are in the hands of the women. I have often wondered if the contact with problems in the hospital would not some day create a situation where the women would wish to prevent certain things instead of waiting to alleviate them when they reach the hospital stage.

Much to my interest, Senora de Martinez-Guerrero said that she had decided that the only way to do this was through a more active interest on the part of women in the government, and that she was beginning to talk to other women along these lines. This is interesting, not only from the point of view of what it

Here's A Tip-- For Saturday Night

Do you like amusing one-act plays?

Do you like music in the modern manner?

Do you like games and dancing? And delicious things to eat?

If you do, don't miss the big festival, Saturday evening, at Colombo hall in Colma, beginning at 8 p. m.

The event, planned to raise funds for the new building for Holy Angels church, will include two one-act plays, vocal selections, numbers by the famous Indians of Rhythm, and dance music by Johnny Dell's union orchestra. And that isn't all!—games and amusement booths will be featured and refreshments will be served.

According to Father James Sorasio, the Catholic societies of the parish have been working very hard to insure the success of this festival.

"Everybody is invited to attend and join the fun," Father Sorasio said today.

"Cow Palace" Show

Many people, among them Miss Nina Bissell, above, are visiting San Francisco's $2,500,000 "Cow Palace" where preparations are under way for Grand National Livestock Exposition, Nov. 15-22. Exposition will feature nation's finest beef, dairy cattle, sheep, swine, horse show and rodeo stock.

Water Department To Get New Well

Daly City is to have a new well shortly to increase the capacity of the water department's pumping system and to meet the ever-increasing demand for this community's excellent water.

At last week's council meeting a bid in the amount of $5,220.70 was accepted from John N. Pitcher to drill a 12-inch well for the water system. Drilling operations will start within the next few weeks.

A communication from the Southern Pacific railway outlined plans for the improvement of grade crossings at Washington street and at San Pedro avenue.

The council unanimously passed a motion approving routine as-

Fire Causes Heater to Explode

Explosion of a hot water heater was the result of a fire originating in the basement at the home of David W. Hunter, 327 Evergreen avenue, Tuesday morning at 12:46 a. m. Companies 1, 4, and 5 of the Daly City Fire department responded promptly to the call at fire box 47 at the corner of Evergreen and Brunswick, and soon extinguished the flames. Although no injuries were reported, the extent of the damage has not yet been determined.

The fire, the origin of which was believed to heve been the defective hot water heater, was first detected by Mrs. Hunter when she smelled smoke, and

Lions to See Movie On "Better Homes"

"Better Homes" is the title of the colored sound movie which members of the Daly City-Colma Lions club will see today. A. M. Harrison secured the feature for the noon meeting at Hilltop Lodge.

President Dale A. Hovey reports that arrangements are nearing completion for the Ladies' Night dinner dance, next Wednesday evening at Hilltop Lodge. Tickets are now on sale and a large crowd is anticipated. The affair will begin at 7 p. m.

Assisting Hovey with Ladies' Night are Hugh Smith jr., and Lee Jorgensen.

To Merge Disaster Preparedness, Defense Programs

"We hope disaster or invasion will never come; but if it does, we're going to be prepared," summarized Committee Chairman Arthur Bodien in an interview today in which he announced that Daly City's Disaster Preparedness committee and Civilian Defense program had been merged.

For more than a year Bodien and his committee have been working out plans to protect life and property here in the event of disaster. The merge with the defense program will make Bodien and the committee directly responsible to Mayor John J. Fahey and the city government.

Early next week there will be a meeting with defense groups of South San Francisco and San Bruno to lay plans for a tri-city defense area and functional unit to direct civilian activities during time of emergencies.

Locally the Council Defense program is to be expanded and developed until its sub-committees and agencies will be in a position to watch after the welfare of residents and protect property should a major emergency arise. To date the following com-

Daly City Board To Supply 38 Draftees

Daly City Board 103 will supply the largest quota in San Mateo county for the eighteenth draft call, set for early in November. Mrs. Isabelle Flynn, clerk, announced today that 38 men will be sent by the local board.

The local contingent will leave here, November 5, to enter Uncle Sam's armed forces. Their names will be announced in next week's issue of the Daly City Record.

Council Approves Third Fire Truck

Specifications for Daly City's third new piece of fire fighting apparatus, to be acquired under the fire department's modernization program, were submitted and approved at last week's city council meeting held Tuesday evening, instead of Monday, due to the Columbus Day celebration.

The new truck will carry a 200 gallon pumper, hose, search lights, and auxiliary apparatus. Bids will be opened at council meeting, next Monday evening. If a bid is accepted, delivery will probably be made on the truck within ninety days.

Fire Chief Andrew P. Chesney is expecting delivery on the first two trucks, now on order, about January 1.

This Monday evening, the city council and fire commissioners met to discuss plans and specifications for two proposed new fire houses. City officials saw the possibility of delay in the construction of the new houses due to more and more rigid control of building materials by OPM. However, if materials can be made available, construction work will be started in the near future.

Recreation Department Sponsors Basketball

Basketball, under the auspices of the Daly City WPA Recreation department, will make its first appearance this season when the University of San Francisco Dons play a team from Fort Mason at Jefferson Union high school gymnasium at 8 p. m., Friday evening.

Independent games will be sponsored every Friday night thereafter.

Attends Convention

Mayor Fahey

Fahey Describes Jr. Safety Patrol

When Mayor John J. Fahey returned from last week's League of California Cities convention at Sacramento, he brought with him the firm conviction that the junior safety patrol system could be of substantial aid in solving Daly City's traffic problem.

Fahey, who attended the conclave at the State capitol with Councilman Paul G. Selmi, plans to discuss the possibility of establishing a junior safety patrol here. He will confer with city and school authorities on the program.

The plan, as outlined by the convention officials, calls for the chief of police to appoint one officer in charge of the patrol. The patrol is selected from students according to scholastic standing, and character, and they are dismissed from school a few minutes before classes are dismissed to report to their posts. They use a pole which is flagged, and the direction of the traffic is carried out from the curb to eliminate the possibility of an injury.

"When cities which have a junior patrol can prove the efficiency of such a system as they did at the convention," stated the mayor, "there is reason to believe that a successful traffic program of this kind can be worked out in Daly City."

Record Acquires Reporter for Staff

Ten days ago Daly City Record lost a reporter, Bill McLean, to the United States Civil service. McLean received an appointment as senior clerk.

This week The Record acquired a top-flight replacement in D. Robert "Bob" Baker. Baker is young, energetic, and bears all the earmarks of an up-and-coming news man. A native of Trinidad, Colorado, he received his early schooling in that city and graduated from Trinidad high school, class of '35.

At Colorado junior college, Baker was sports editor of his college publication, The Trojan.

Colma Fire Department Enjoys Annual Banquet

"We had a wonderful time!" —that's what members and friends of the Colma Volunteer Fire department said today when asked about the group's sixteenth annual banquet, held Saturday evening at Colma cafe.

Dinner and dancing were enjoyed by the men, their wives and friends. Special movies of the arrival of the company's new super-powered trucks were shown.

Officers of the group were in charge of arangements for the event. They are John Garibaldi, fire chief; Leslie Balestra, assistant chief; Colombo Benedetti, lieutenant; George Schenone, captain.

Invite Youngsters To Two Local Hallowe'en Parties

When orange and black streamers, big black cats and Jack 'O Lanterns appear in the store windows, youngsters begin to long for an invitation to attend a first-rate Hallowe'en party, complete with the opportunity to don costumes and false-faces.

Every Daly City youngster is invited to attend one of the Hallowe'en costume parties to be sponsored by the city and the WPA Recreation department, October 31. According to Mrs. Marie Burton, director of the Recreation program here, parties will be held this year, at both General Pershing school and Jefferson Union high school cafeteria.

The party at Pershing will accommodate youngsters living from Wellington avenue to the San Francisco county line, while the event at the high school will be for youngsters who reside from Wellington avenue south to and including Colma.

The City of Daly City will supply the ice cream for the parties and the Recreation department is directing games and festivities at the affairs. Cookies, hundreds of them, baked by the home economics classes at the high school, are also slated for the bill of fare. In charge of arrangements for the refreshments is Mrs. Ann Eason, assisted by Mrs. Maizie Boyle. Both women are members of the Daly City Recreation committee.

The parties will be held from 7 to 10 p. m. and a good time is assured.

Universal Press Now In First Place

Universal Press bowled itself into first place in the Daly City league, Friday evening. Other standings, following the games, found Conci Shell Service and Milo's tied for second place, while Daly City Cleaners, Colma Vista Grande Eagles and the Sheriff's office were in a three-way tie for third. Curry's Barbers are fourth and Daly City-Colma Lions trail in last place.

Several new high scores were made, Friday, with Johnson of Milo's rolling the first individual 600 series score of the tournament. He rolled 602. High team single is now held by Milo's with 930. Cliff Curry is still high for individual score with 229 and the Sheriff's team keeps their spot for high team series with 2586. Milo's came within two pins of this, Friday, with 2584.

Friday night's games saw the following results: Universal vs. Lions 3-0, Eagles vs. Cleaners 3-0,

Nominate Many Crack 2-Year-Olds

Seventeen crack 2-year-olds today were nominated for the $2,500 added Twin Peaks Handicap, Saturday. This six furlong engagement will bring out one of the best juvenile fields of the year in California.

The contention looks so keen that it may be hard to find a favorite. Northway Stud's Defense and Shelmond both are formidable; W. E. Boeing's Lawyer's Light; Earl Beezley's Bebeja; R. C. Stable's Radio Joe, and Oakmont Stable's Opening Bid appear to be the leading contenders.

Trainer T. D. (Pinky) Grimes reported today that he expected Big Ben and Tin Pan Alley, both handicap winners owned by N. S. McCarthy, to be shipped here within two weeks from Santa Anita. Both are in training there now.

Pardon me— have you heard?

Miss Ada R. Beveridge will read **"CALL IT A DAY,"** entertaining comedy by Dodie Smith, tomorrow at 2:15 p. m. in the auditorium of the San Mateo junior college. The Mothers' club of the college is sponsoring the event to raise funds for the men's cooperative dorm and other student aid. Tickets may be obtained locally from Mrs. Felix Foreman, 35 Woodrow street, Mrs. Carl Frei, 280 Los Banos avenue; Mrs. John Ledterman, 758 San Diego avenue, and Mrs. J. C. Morris, 186 Irvington street.

SPARE TIME can be well occupied any day in the week at the San Francisco Museum of Art. Courses, talks, movies, and painting for fun offer more than one pastime to sharpen an interest in life. On Mondays amateur photographers meet, discuss, and show their prints, slides and movies at the Photo Forum. The same evening there is a course of illustrated lectures on landscape painting of all ages. From 7 p. m. to 10 p. m. on Tuesdays David Park conducts a shop where anyone may drop in to paint for the fun of it. Wednesday mornings, afternoons and evenings, the popular classes in flower arrangement meet. On Wednesday evenings there is a public lecture on art.

Thursday evenings a course of talks and actual experiments provide an introduction to the ways of art. On Fridays, both afternoon and evening, memorable movies of Europe and America are shown. Children spend Saturday mornings at the museum painting, drawing and modelling in clay. On Sunday afternoons there is always a public lecture on some interesting phase of art. This program will change throughout the year to admit new courses on various topics. The museum is situated on the top floor of the Veterans building, Civic Center, and is open from noon to 10 p. m. every week day.

State Board Distributes Funds

Distribution to California cities and counties of $1,583,490.10 as their share of alcoholic beverage license fees earned during the first half of 1941, was announced, Monday, by George R. Reilly, first district member of the State Board of Equalization.

The allocation represents one-half of the $3,166,980.20 earned by the board during the six-month period ended June 30. The State's share goes into the general fund.

Of the total to be distributed in San Mateo county, $15,976.87 will go to the unincorporated area, while $3,399.69 has been allocated to Daly City on the basis of actual licenses issued.

Reilly pointed out that with the current allocation cities and counties throughout the State have received, since the repeal of prohibition, a total of $19,371,754.26. This huge sum has been collected and distributed by the board at no cost to the local governmental units.

Of the distribution announced, the largest single amount will go to Los Angeles county and its cities with a total of $429,790.18.

Studebaker "Junking" Program Aids O. P. M.

A "junk the junker" drive inaugurated by The Studebaker Corporation months before "priorities" became a household word should prove a definite aid to the program of the Office of Production Management, according to C. S. Fletcher, Studebaker's sales manager. OPM is campaigning to raise 1,000,000 tons of scrap iron and steel through the medium of wrecking worn-out automobiles.

A survey conducted among 604 Studebaker distributors and dealers, selected at random from all parts of the country, establishes the fact that, in a recent 60-day period, they sent a total of 2607 cars to the wreckers. On the basis of figures released by OPM, these junkers were equivalent to about 1955 tons of scrap iron and steel. Or, in the terms of finished products, they equalled approximately 2600 light cannons or 130 light tanks.

"Studebaker dealers share our opinion that a worn-out car, or even a borderline case, is a potential highway killer," said Mr. Fletcher, "and, if a car is not forth reconditioning, it is better to junk it than to sell it for money to a retail buyer who, almost automatically, becomes a dissatisfied customer.

Now that our dealers have the added incentive of contributing to national defense," added Fletcher, "we expect the 'junking' rate will be increased materially."

First, his name is the same as The Record's recent popular advertising manager "Bob" Keely who went up the ladder to the Burlingame Advance. Second, "Bob" Baker is brother to Hugh Baker, who is making a real name for himself in newspaper circles as manager of the San Francisco office of the California Newspaper Publishers association.

Local People Involved In "Top of Hill" Crash

"Top of the hill," where Mission street joins San Jose avenue, was the scene of an automobile accident, Monday evening at 7:45 p. m when cars driven by Paul A. Rasmussen, 443 Vista Grande avenue, and A. M. Harrison, 122 Woodrow street, crashed.

Minor injuries were reported by Mrs. Emma Rasmussen, wife of the former, and she was treated by Dr. W. C. Lynch at his office on the corner of Wellington avenue and Irvington street.

Police were on the scene shortly after the occurence, and the street was soon cleared.

Maisie Mows 'Em Down In Thrilling Film At Daly City

Heralded as the most interesting Maisie film to date, Metro-Goldwyn-Mayer's "Ringside Maisie," starring Ann Sothern, is scheduled to open tomorrow at the Daly City theatre for an engagement of three days.

Since the inception of this character, the blond, Brooklyn chorus girl, as portrayed by Miss Sothern, has rapidly become one of the screen's most popular characters. She promises to add to her fan following in this newest series of adventures.

The story concerns Maisie, again on the trail of a job and again finding adventure. This time her path crosses those of a young prize-fighter, his invalid mother and his hardboiled manager. When Maisie is hired as a companion for the mother she learns that the boy hates his career as a fighter. How she battles it out with the manager and winds up by falling in love with him makes for one of the most entertaining films of the entire series.

An excellent cast has been gathered in support of the star. As the manager is George Murphy, who forsakes his singing and dancing roles to play the fight manager.

Companion feature on the new bill will be "Kiss The Boys Goodbye," with Mary Martin, Don Ameche and Jerome Cowan.

Ancient Decorations

Shell, crystalline spar, bone and ivory were all employed by the ancients for architectural decoration. On these hard substances, the colorists could produce excellent designs. The thin film of color, however, was not durable—it soon wore away and light places showed through. Since those days, modern methods of decoration include certain mordants to set the colors and the steeping of small articles made from such dense substances in a dye bath for several hours.

George Murphy and Ann Sothern wisercack their way through Maisie's merriest adventures in "Ringside Maisie," opening tomorrow on the Daly City screen. Murphy calls Miss Sothern a "gold-digger" in this scene from the new comedy. What the latter calls Murphy in return isn't fit to print!

D. C. Girl Scouts Attend All-Day Picnic

"Everyone had a grand time" was the general comment on the Girl Scout picnic, held Saturday, at Thornton beach.

There was a group of 43 girls and nine adults who attended the affair. The girls enjoyed games, wading and a nature study hike conducted by the scout leaders.

The adults who chaperoned the affair were Mr. and Mrs. R. L. Crane jr., Mr. and Mrs. Mon-Santo, Mrs. A. M. Harrison and Mrs. John Mosman, of the girl scout committee; Mrs. L. Lemon, leader of Troop No. 4; Mrs. Lyla Eldrup, leader of Troop No. 2; and Mrs. George Windhurst, leader of Troop No. 1.

Just before the group returned home they roasted marshmallows and apples.

The committee again reminded the public of the Girl Scout cookie sale to be held from October 25 to November 1. The girls will go from door to door, Saturday, with their cookies. All proceeds are to go into the local Girl Scout fund.

All of the girls who want to sell the cookies are to get the cookies from their leader, according to Mrs. Mosman, committee secretary.

Diversified Ownership

Eagles Plan Hallowe'en Party

Yes, sir! a real old-fashioned Hallowe'en party, complete with costumes, is what Colma Vista Aerie No. 1848, F. O. E., plans for Saturday evening, November 1. Wives and friends have been invited for the event, which will be held at Eagles hall, beginning at 8 p. m.

Refreshments, music and dancing have been scheduled. General chairman is Mel Battye, while Roy Allain is in charge of refreshments and a social program. The aerie orchestra, including Dale Hovey, Battye, Bert Meritt, Frank Coughlin, and Dr. William J. Lantheaume, will play.

Tomorrow evening, the local aerie will initiate a large class of candidates. They report that they are well ahead of their membership quota. The evening will be designated as "Ric Bollentini Night," in honor of his work as district captain for the Colma district. Future initiations will be held in honor of the captains for Crocker, Brisbane and Vista Grande districts. Refreshments and entertainment will be featured and pictures of the recent fishing excursion to Santa Cruz will be shown.

Chairman for the annual turkey whist of the aerie has been announced — William Bolger, worthy secretary. He states that the whist will be held Monday evening, November 17. The public is invited to attend. Further details will be announced later.

Enjoying a vacation is Otto Schramm, worthy treasurer.

Ladies Auxiliary Complete Whist Plans

Members of the Ladies' auxiliary, Company No. 2, D.C.F.D., today reminded the public of their card party, scheduled for tomorrow evening. Playing will begin at 8:30 p. m. at the No. 2 firehouse.

Mrs. Gus Ford is whist chairman, and assures all card players of a grand time. Assisting Mrs. Ford will be a group of ladies from the organization.

The group announced there would be a cash first prize and many other lovely awards. Price of score cards is nominal.

IT IS HUMAN to become sentimentally attached to a faithful old kitchen stove. You learn its tricks—you forgive its faults. But compared to modern CP Gas Ranges any old stove is just an old cheat.

The modern gas range is not only a marvellously better-looking, it is definitely a better-cooking home appliance. It's fast . . . it's economical . . . it's as easy to clean as a china plate. It never cheats you on correct cooking heat for perfect frying, baking or broiling. Its insulated oven eliminates hot and cold spots, permits the new low-temperature cooking that reduces meat shrinkage and saves you money by making inexpensive cuts of meats juicy and tender. Buick Offers Improvements

Heralded as presenting more improvements in appearance and styling than any Buick in the last six years, the new 1942 models are now on display in the showrooms of Belli Motor company, local Buick dealer.

The new bodies are ultra-streamlined from cowl to tail, featuring airfoil fenders, curve-around bumpers, hide-away entrance steps, and entirely new front and styling.

There are six wheelbase lengths with a total of twenty-three body types in the 1942 Buick line.

Most outstanding advancements contributing to the daring style treatment are the new airfoil fenders that distinguish all models in varying degrees. In the sedanets and convertible coupes of the 50 and 70 Series, for instance, the front fenders are carried all the way back across the side of the car in a gracefully tapering contour that terminates at the rear fender.

There's a brand new radiator grille on the 1942 Buicks. It is wider with vertical bars and positioned still lower than before, which accentuates the long, sleek lines of the car and provides greater air-scooping effectiveness.

The hood has been entirely redesigned and now extends back much closer to the windshield. This was made possible by eliminating the cowl ventilator, which is no longer necessary with the brand new system of air conditioning built into all of the new Buicks.

In 1942, Buick's compound carburetion has been made still more effective with a number of refinements contributing to greater economy, smoother acceleration and better all-around performance. It is standard equipment on the Super, Century, Roadmaster and Limited models, and available at slight extra cost in both Buick Specials.

Hillcrest Circle To Elect Officers

All members of Hillcrest Circle No. 143, U. A. O. D., are urged to attend their next regular meeting, Monday, October 27. New officers for the coming term will be elected. The session will begin promptly at 7 p. m. at Masonic temple.

After the election of officers, plans will be discussed for the installation, Monday, November 10, in the Blue room at the Masonic building. Mrs. Madeleine Fellows, junior past grand arch druidess of the State of California, will be the installing officer. She will be assisted by other grand officers.

The meeting will close early due to the fact that the ladies have scheduled a monster whist to be held at 8:30 p. m. in the hall downstairs.

heard a crackling noise from the basement.

Mrs. Hunter called the police department, and Officer Henry Sundermann jr. and George Savage responded, sounding the fire alarm.

The hot water heater exploded as Officer Sundermann carried Ruth Hunter, 14, a daughter, from the burning building.

Mrs. Hunter complimented the fire and police departments on the efficiency and speedy manner in which the fire was extinguished.

Pastor Roe Invites Public to Services

Pastor Irvin V. Roe of the Pentecostal Church of God, Colma, today extended a cordial invitation to the public to attend his weekly services. They are being held in the old Community church on Railroad avenue, Colma.

Times of services were announced by Pastor Roe as follows: Sundays, 9:45 a. m., Sunday school; Sunday, 11 a. m., morning worship and praise; Sunday, 7:45 p. m., Evangelistic service; Wednesday, 7:45 p. m., Evangelistic service.

Bricker Appointed Leader of Cub Pack

It was announced today, by Frank Coughlin, leader of Boy Scout Troop No. 101, that the cubs have a new leader. Frank Bricker has been chosen to lead Cub Pack No. 101. Former leader, Louis Ryan, moved from Daly City and had to resign his leadership.

Their trip to Seals stadium, Sunday, to participate in the parades held before the game and to see the Major League All Stars and Minor League All Stars play, was a huge success. The troop and pack were both present. They were accompanied by the new cub master, Bricker, the assistant cub leader, Joe Munoz, and the scout leader, Coughlin.

A joint meeting of the Cub and Scout committees will be held Wednesday, October 29. They will meet at 64 Risel street at 8 p. m. The group are going to make plans for their Fathers Night, which will be held some time in November.

Last Word in Television

The new television antenna just completed atop the Chrysler building in New York is the only one of its kind in the world. Built to withstand a 150-mile gale, it consists of four hollow tapered aluminum bars, electrically heated to prevent formation of ice in the winter.

DRUIDS ANNOUNCE MONSTER WHIST

"If you like whist at all—and who doesn't—you're sure to enjoy our big party, Monday evening, October 27," said Mrs. Victorine Lombard today in discussing plans for the Hillcrest Circle No. 143, U. A. O. D. monster whist. The party will begin at 8:30 p. m. at Masonic hall and the committee announces three cash prizes in addition to numerous other attractive awards.

Mrs. Lombard, assisted by Mrs. Violet Hauptli, arch druidess, is in charge.

Following the card playing a beautiful hand-made silk quilt, donated by Mrs. Hauptli, will be awarded.

The public is cordially invited.

Junipero Serra Treats Several Cases

Gus Nygres, 36, Colma, was working on an automobile when the gas tank exploded. He was rushed to Junipero Serra hospital where he was treated for a burned right ear and eye. He was released the same day.

Two students who were playing football on the Jefferson Union high school football field, Friday, were taken to the Junipero Serra hospital with injuries. They were rushed there by the Peninsula Ambulance Service. The boys, Gene Serveau, Redwood City, and Bob Sanders, Menlo Park, were treated, respectively, for a cut lip and a possible fractured rib.

Eugene Fricke, 14, Colma, was treated for a cut left ear. Eugene was swinging on the handle of a stove when he slipped and cut his ear.

J. Edmond, Garden Village, was treated for a cut left wrist, received while he was sawing wood.

Miss Juanita Young, Jefferson Union High school physical education instructor, was treated for a sprained ankle, Sunday. She was hit by a hockey stick in Oakland.

Gustave W. Braun Succumbs in Colma

Gustave W. Braun, 88, a resident of Colma for 37 years, succumbed, Saturday, at his home.

He is survived by his wife, Mrs. Mary S. Braun.

Funeral services were conducted, Monday afternoon, from the W. C. Lasswell company chapel. Interment was at Olivet Memorial park, Lawndale.

It's a friendly Business

"For the past few days one of your men has been perched high on a telephone pole outside the window of my home...

"Since his position was above the roof of my house, he could see that my radio aerial was down.

"Imagine my surprise when on his own time on his noon hour this man... brought the company's ladder, climbed up to my roof and repaired the broken antenna.

"Because of his kindness my wife and I are this night able to listen to our favorite programs."

We suspect that it gave this telephone man much pleasure to render that courtesy. It's a friendly business—attracts friendly people.

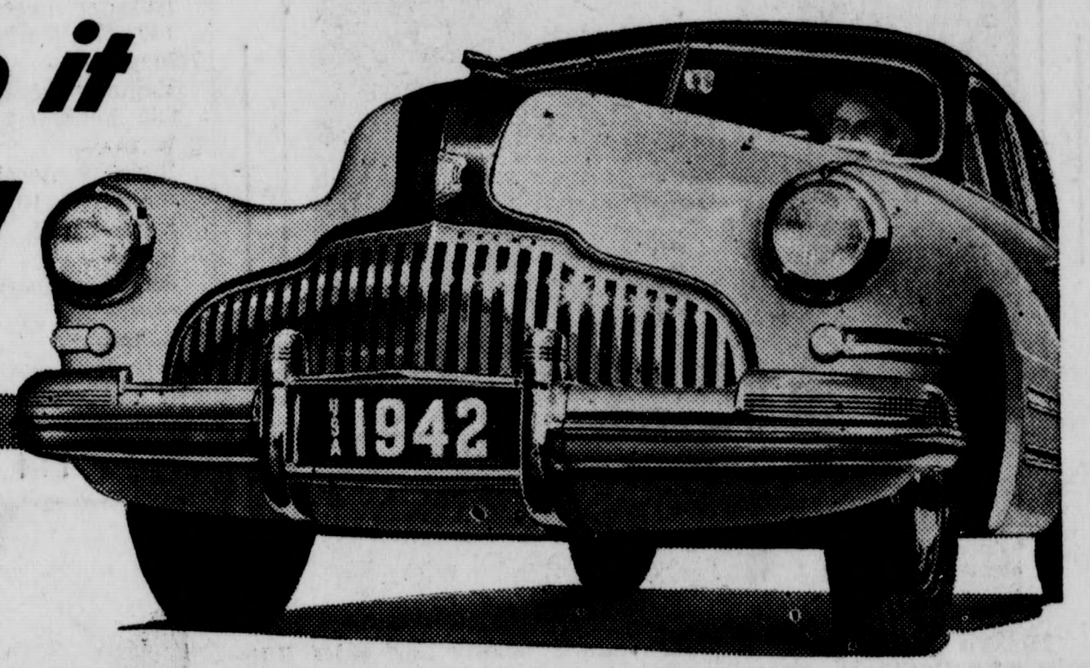
You can do it if you try!



POISED here as if for take-off is the gorgeous new creation which is the Buick SUPER for 1942.

Fresh in line, clean of contour, solid as a combat car but graceful as a plane, it is one of 23 sparkling new models that prove *you can do it if you try!*

For the very things that made some people ready to say there couldn't be anything new in the 1942 cars made Buick engineers resolve that if there were *any* they would be *better* automobiles.

Now they're here. Every one a Buick FIREBALL valve-in-head straight-eight, every single one a honey.

Put foot to treadle in any of them and you find out in a hurry, how little defense conditions hamper men of real skill and alert ingenuity.

Push this beauty, force it through the toughest going — it will take all you can give it with frugal ease — and be fretlessly ready for more.

Yes, go see these cars now and learn how wrong the fellow was who said there could be little new in '42.

No other car has ALL THIS FOR YOU IN '42

Dante, The Magician, Brings Sensational Show To Curran Theatre

One of the sensational amusement treats of the entire season is now at the Curran theatre, San Francisco, for a limited engagement. It opened, Monday night, when the master of magic, Dante, with his original New York company of 35 mystifiers, presided over by Miss Moi-Yo Miller, the greatest female illusionist in the world and one of the most beautiful women before the public—presented his fantastic mystery revue in 28 scenes entitled, "Sim Sala Bim." Owing to public demand, Dante will give two extra shows on Sunday, at 2:30 p. m. and at 8:30 p. m.

This startling two and a half hours' entertainment of mirth, melody, magic and mystery embroidered with a wealth of gorgeous costumes, elaborate scenery and bewildering accessories, has been acclaimed all over the world as one of the most colorful, expert and entertaining revues ever witnessed in the annals of amusement.

Dante, who was associated for several years with Howard Thurston, carries upon his shoulders the mantle of mystery and illusion so gracefully worn by the expert Thurston.

Dante has just returned to this country after fourteen years touring in every section of the world, where the white man lives; and inaugurated a transcontinental tour in New York City at the Morosco theatre, where for ten weeks he played to absolute capacity. This approbation has been duplicated in all the largest cities of the country.

Among the fifty spectacular illusions presented by the gifted Dante in addition to his marvelous exhibition of card-billiard ball-flower and animal manipulating and disappearing, conspicuously prominent are his "Mystery of the Stratosphere," "The Human Target," "Crushing a Woman in Two," "The Enchanted Cottage," "The Magic Bartender,' and "Fun in a Barber Shop." All these illusions are synchronized with music.

ARMY LIFE REACTIONS

At luncheon on the train one day I found myself at a table with two young army boys and we were joined shortly by a young marine who had just finished his Paris Island training and was being sent from Quantico, Va., to a new post. The army boys came from Virginia and New Jersey respectively, and had spent some months in camp in the state of Washington, and were now on their way to a New Jersey camp. All three were fine boys and I enjoyed talking to them. The thing which I remember most in retrospect, however, as we talked about their lives and need for their present sacrifice, is that they unanimously agreed that they did not have enough information or enough opportunity to talk about the larger aspects of world affairs as they related to their own individual services.

One of the boys finally said, "Well the trouble is, when you get into the army, the training is often the same, day in and day out, and you begin to think that the whole of life centers in what you get to eat, and when you get your pay." I wonder if perhaps one aspect of our officers' training is not being neglected. Should we include a course in the art of encouraging conversation among your associates?

Daly City Greets 1942 De Soto With Enthusiasm

With fourteen body styles, nine smart solid colors and four new two-one combinations, the 1942 De Soto lineup is creatnig great enthusiasm among motorists here, according to James E. Donahue, Daly City De Soto-Plymouth dealer.

"From every standpoint, these are the finest cars ever presented by De Soto," said Donahue. "Motorists, this year, are given a wider selection than ever from which to choose. There are six models in the De Luxe line and eight in the Custom series.

"Keynotin ; De Soto's advanced streamlined styling are the new 'Airfoil' headlights. Steel 'eyelids' blending smoothly into the fender contours protect these modern sealed beam lights in the daytime. A finger-tip lever opens the panels, turns on the lights; the same lever closes the lids, turns off the lights.

"Further betterments that give greater beauty, comfort and convenience, to mention a few," Donahue went on to say, "are the wider and heavier bumpers extending farther around the sides of the car, a wider cascade grille, concealed full-width running boards, gravel shields front and rear, graceful hood ornament of transparent plastic and swanky 'personalized' interiors.

"Stepped up to 115 horsepower, the new engine is the greatest that ever powered a De Soto," Donahu pointed out. "Even with greater horsepower, the new engine delivers increased efficiency and economy, due to the many engineering refinements.

Grace Church To Hold Rally Day

Rally Day, Sunday, will terminate a month of increased effort to build the Sunday school attendance at Grace Church of the Nazarene. The goal for the day has been set at 250. A contest with boys and men versus girls and women has been going on for the past few weeks with about equal gains on each side, and excitement is running high to see which group wins the ice cream cone party, reward for best attendance record.

An attractive souvenir will be given to each person attending the Sunday school on Rally Day. Awards for the largest family, oldest and youngest person and for the one bringing in the largest number of recruits, will be given out. Carr's station has announced a prize of gasoline for the person who drives the greatest number to church on Rally Day.

Quite a comprehensive program has been arranged for Sunday, with numerous adults and children taking part. There will be recitations, music and exercises. The public is invited and parents and friends of pupils are especially urged to attend.

Neil H. Edwards is superintendent of the Sunday school. Mrs. H. R. Miller supervises the primary department and Mrs. Robert Duffy, the nursery and beginners' department.

One unique feature of Sunday's program will be the presentation of the Joy Boys class. Under the direction of their teacher, Joseph Straughan they have prepared a recording of a class meeting. This will be heard over the public address system.

The recording depicts a regular session of the class with the following members taking part: President Butler Ferrier, Secretary Gerald Young and Treasurer Alex Findlay, who have prominent parts as officers of the class; Freddy Perazzo, who sings a special chorus; George Ritter, Dick Hovey, Bernard Volker, Wilbur Lemon, Walter Sharp, Bobby Raine, Frank Shreve and Edward Raanes, who are heard in speaking parts.

Here's De Soto . . . Head-On

Head-on, as in profile view, the new De Soto is bigger and more massive-looking than ever. Its new "cascade" grille, with chrome belt flowing around the front fenders, accents its wider, lower appearance. In daytime, its headlights are concealed behind sliding panels which leave fender contours smooth and unbroken. De Soto calls this new feature the "Airfoil" headlight.

California Bank May Reach Two Billion

California may soon achieve the distinction of having a two billion dollar bank, according to A. P. Giannini, chairman of the Board of the Bank of America.

Citing figures as of the close of business September 24, date of the latest call of the comptroller of the currency, Giannini revealed that the total resources of Bank of America were $1,933,426,000, an increase of $55,687,000 over June 30, 1941, the previous call date, and an increase of $243,567,000 over the September call date of last year.

Total deposits reached the mark of $1,737,122,000, an increase of $51,634,000 over June 30, 1941, and an increase of $233,148,000 over the September call date of 1940.

Loans and discounts outstanding on September 24 aggregated $885,113,000, an increase of $40,647,000 over June 30, 1941, and an increase of $138,920,000 over September call date of 1940.

"Growth of our bank can rightly be taken as an index of the growth of California," the banker declared. "At the rate of increase indicated, our state should achieve the eminence of a two billion dollar bank by December 31, a unique honor. No State outside of New York has ever attained this distinction."

Mothers Club Selects Officers

Recently-elected officers for the Mothers Club of Our Lady of Perpetual Help school will be installed at the November 14 meeting of the group at the parish school, 8 p. m.

Taking office will be the leaders elected, Friday, October 10. These included past president, Mrs. Sophie Klingler; president, Mrs. Elsie Thomson; vice-president, Mrs. Mary Musante; recording secretary, Mrs. Lucille Marriscola; financial secretary, Mrs. Josephine Kelley; treasurer, Mrs. Catherine Naccarini.

At the October 10 meeting, five new members were taken into the Mothers club.

Mothers Club Plans Two Whist Parties

Plans for two whist parties, both of which will benefit the Our Lady of Perpetual Help parish school, have been made by the Mothers club of the school.

Friday, October 31, an afternoon whist will be held at Eagles hall, beginning at 2 p. m. Mrs. Ann Tallon is chairlady and she announces numerous attractive prizes, including a cash award. The public is cordially invited.

At luncheon whist is slated for November 4 at 12:30 p. m. at the Marin-Dell plant in San Francisco. Mrs. Lucille Marriscola will be chairlady and the Mothers club urges all local whist enthusiasts to attend.

Woodrow PTA Board Holds Regular Meeting

Members of the executive board of Woodrow Wilson P. T. A. met, last Tuesday, at the home of Mrs. Martha Linden, 467 Niantic avenue. The hostess served a dessert luncheon and the business session followed.

Mrs. Ida Hanley, president, distributed district year books to the officers. The board decided to eliminate the monthly night whists in favor of luncheon whists, to be held at the homes of the various members. Next such affair will be held, Wednesday, October 29, at the home of Mrs. Hanley, 43 Woodrow street. It will be a grocery whist and the public is invited. The luncheon will be served at 12:30 p. m., followed by card playing.

Plans were also discussed for a magazine luncheon whist to be held at the home of Mrs. Julia Petersen, 23 Woodrow street, November 13. The president, Mrs. Hanley, appointed Mrs. Hilda Heagney to attend the district meeting at Pescadero, Thursday, October 16, with her.

Mrs. Emilie MonSanto invited the sewing group to her home, 278 Los Banos avenue, for their next regular meeting, tomorrow at 12:30 p. m.

Woodrow Wilson P. T. A. participated in the joint Fathers Night program at the high school, last night.

Large Crocker Turnout At District

Crocker P. T. A. was well-represented at the Seventeenth district, C. C. P. T., meeting at Pescadero, Thursday. Mrs. Olga Bordson, president and Mrs. Emma D'Isep were the delegates, but ten other members attended from the Crocker unit. They were Mrs. Virginia Davidson, Mrs. Eva Hobbs, Mrs. Ethel Dorn, Mrs. Nell Caine, Mrs. Sadie Welch, Mrs. Allene Lehigh, Mrs. Hazel Cassasa, Mrs. Suino, Mrs. Holzworth and Mrs. Stella Jensen.

Crocker members have been asked to give their support to Mrs. Ann Eason, chairman for the Hallowe'en party to be held at General Pershing school, October 31.

Mrs. Vivian Pahlka, 569 Winchester street, will be hostess to the Sew and Sew club of Crocker P. T. A., Friday. Members are asked to come early as there is a great deal of work to do for the bazaar.

Mrs. Florence Thorsen reminds members and friends of her magazine whist to be held, Friday evening, at the home of Mrs. Martha Wegner, 399 Crocker avenue. Playing will begin at 8 p. m. and the public is invited.

Mrs. Mildred Seiler entertained eleven members of the Sew and Sew club at her home, Friday.

Emydian Institute Plan Official Visit

At a committee meeting of the Emydian Institute No. 154, Y. L. I., recently held at the home of President Rosemary Flanagan, plans were discussed for their official visit. The meeting will be in honor of the grand president.

Delicious refreshments were served by the hostess at the close of the meeting.

Several of the members went horseback riding, last Monday evening, at Robert's Beach Riding academy. Those enjoying the outing were: Clara Corradetti, Rosemary Flanagan, Francis Flanagan, Yolanda Giusti, Rena Giusti, Louise Roselli, Angie Varni, Vi Tosetti and Lenore Varni. According to the girls, the after-effects were a bit painful.

Cypress Circle No. 14 To Hold Whist Party

Members of Cypress Circle No. 14, U. A. O. D., today announced that plans are complete for this evening's whist party. Playing will begin at Colombo hall at 8 p. m.

Mrs. Fredericka Volkman and Mrs. Catherine Wight are in charge of the card party. According to the ladies, many lovely awards have been procured, including a cash first prize.

The public is invited to attend. Price of score cards is nominal.

HALLOWE'EN

Refreshments are Gay and Giddy

says Dorothy Greig

MOST of the special events of the year have some deep significance underlying them.

Not Hallowe'en, though. It's just a daffy-down-dilly of an occasion—devoted to pranks and gay goings-on.

It brings to mind succulent red apples, corn popping over the open fire, witches on broomsticks riding the wind across the face of the moon, cheerful orange pumpkins, plump sugared doughnuts, and arched black cats with eyes shining in the dark.

Spice Doughnuts for Your Hallowe'en Party

Nothing serious, you see. But fun.

So when a party is in order for that night, it's a skylarky affair with the note of informality and gaiety carried right on through to the refreshments.

These special spice doughnuts and pumpkin soup, for instance, fit well the Hallowe'en mood. Regardless of what else you may serve you can offer one or both of these.

The doughnuts have tomato soup in them—not that you can taste it. It does, however, seem to give them fine texture and richness of color:

Spice Doughnuts

1 whole egg
1 egg yolk
1 cup sugar
1 cup mashed potatoes, well packed
1 can condensed tomato soup
3½-4 cups of flour
5 teaspoons baking powder
½ teaspoon baking soda
2½ teaspoons cinnamon
¾ teaspoon nutmeg
½ teaspoon cloves

Sift the flour, then measure. Combine flour, baking powder, baking soda, cinnamon, nutmeg and cloves.

Beat together the whole egg and egg yolk, add the sugar and mix well, then stir in the mashed potatoes. Add the flour mixture alternately with the tomato soup. Add enough flour to make a dough stiff enough to roll. Shape with doughnut cutter and fry in deep fat, drain on absorbent or brown paper then roll in cinnamon and sugar mixture. Makes 30-36 doughnuts.

Sugar and Cinnamon Mixture

½ cup sugar
1 teaspoon cinnamon

Mix together sugar and cinnamon.

Now for the Hallowe'en Soup. For a party have a huge steaming tureen of it and ladle it out into bowls. Mmn! Good as the hot dish for your buffet refreshments:

Hallowe'en Soup with Nutmeg Whipped Cream

2 teaspoons flour
2 teaspoons butter
1 cup milk
1 can condensed chicken soup
½ cup pumpkin (strained)
1/16 teaspoon grated lemon rind
nutmeg for whipped cream or garnish

Melt butter, add flour and cook until frothy. Then add milk and cook until thickened. Add chicken soup and pumpkin and heat thoroughly, but do not boil. Add finely grated lemon rind about five minutes before serving.

Nutmeg Whipped Cream:

To ¼ cup whipped cream add ⅛ teaspoon nutmeg and blend together. Serve 1 spoonful on each serving of soup or just sprinkle top of soup very lightly with grated nutmeg. Serves 4.

Silver Lining

War has a silver lining for $4,000 who were on relief last winter in St. John's, Newfoundland. Its great newsprint and its wood-pulp and mine-prop industries have been revived with the closing of the Baltic. Iron, lead, and zinc mines are again operating, while enlistments in the navy, army and civilian forestry corps have also helped to reduce unemployment.

Sewing Group Plan Huge Banquet

Plans are being made by members of the sewing group, to hold a huge banquet about the middle of November for all members of Vista Grande Camp No. 6035, Royal Neighbors of America.

The ladies met at the home of Mrs. Estelle Peterson, 86 Hillcrest drive, last Tuesday. The meeting was called to order with President Cora Ray presiding. Mrs. Mattie Putnam took over the duties of secretary during the absence of Mrs. Mattie Smith. Mrs. Smith is on her vacation.

After the meeting adjourned the ladies celebrated two birthdays. Mrs. Johanna Hedval and Mrs. Peterson were the honored guests. They received many lovely presents and congratulations from the members. Refreshments were then served by their hostess.

Those attending the meeting were: Mrs. Cinderella Weller, Mrs. Emilie Twesten, Mrs. Ruth Appleton, Mrs. Anna Smith, Mrs. Marie Thompson, Mrs. Smith, Mrs. Ray, Mrs. Anna Romer, Mrs. Clarise Scott, Mrs. Mable Duffner, Mrs. Lyla Thery, Mrs. Gertrude Gehringer, Mrs. Grace Coolidge, Mrs. Hedval, Miss Smith, Miss Peterson, Mrs. Ocie Ainsworth, Mrs. Agnes Wood, and the hostess, Mrs. Peterson.

Next meeting of the group will be held at the home of Mrs. Thery, 736 Templeton avenue, Tuesday evening, October 28.

P. T. A. Sewing Group Will Meet Tomorrow

Members of the sewing group of General Pershing P. T. A., will gather tomorrow afternoon at 1:30 p. m., at the General Pershing school. The ladies extend a cordial invitation to everyone interested in sewing to join them.

Mrs. A. Siino, Mrs. Sadie Welsh, past president; Mrs. C. Krogh, Mrs. Nell Cain and Mrs. Margaret Holzworth, represented the unit at the meeting in Pescadero, Thursday.

Mrs. Welsh went as alternate as two of the ladies, Mrs. Nora Clifton and Mrs. Ilda Marquis, were unable to attend.

Members of the P. T. A. group announced that last night's meeting, held at Jefferson Union high school, was a huge success. The meeting was their annual father's night and all the local P. T. A. units participated.

Classes

SENIORS

Plans for the January graduation are coming along fine according to President Jean Hanselman. The announcement committee has selected the announcements. Letters have been sent to parents of the graduating seniors telling them of the assessments.

The seniors are now filling out their record cards for the senior edition, and turning in their names the way they want them to appear on their diplomas.

As yet, the senior sweater committee hasn't decided on the senior sweaters. They are to meet with several representatives from downtown woolen mills, this week.

The senior ball will be held January 23. The committee announced that plans were already started to make it a huge success.

At a meeting, last week, the seniors decided not to hold their annual senior jinx, because the class is smaller than usual.

Instead, they will hold a full-length feature movie and invite the student body to attend at a nominal charge.

ASSEMBLIES

The members of the student body were honored by the appearance of Thomas Elliott on their assembly program, Monday. Elliott, who has lived in the orient for approximately twenty years, came through the courtesy of the Peninsula branch of the Y. M. C. A. His topic was "China Today."

Dr. Gordon Chapman, from Kobe, Japan, presented the students with an interesting and educational assembly, yesterday.

Dr. Gordon is considered one of the outstanding authorities on the oriental situation today.

RALLY

Jefferson really has something to be proud of. For their first performance this year, the band appeared decked out in white at Friday's football rally.

The drums beat out and the members of the band started marching. They were led by Charles Jackson, drum major; Mary Sue Denton, Carmel Robin and Joyce Russel, majorettes, and an acrobatic act by Esther Hanel. Oscar Busch, band instructor, certainly deserves a hand for the way he had the band trained.

With a couple more practices they will be able to compete with any other high school. Yes sir! They were good!!

NATURE SOCIETY

It was a success! What was? Why, the naturalists' field trip to Pescadero creek! The group left, early Saturday morning, and went hunting for crayfish.

Those enjoying the outing were: Carol Bryant, Doris O'Steen, Leslie Gregg, John Mosman, Elizabeth Lerner, Lenore Ross and Deloris Thomas. They were accompanied by Edgar and Arthur Smith.

Campus Fashions

"Over the river and through the woods, to grandmother's house we go"—Yep, it doesn't seem possible, but it's true, the time is almost here for Mr. Turkey to make his appearance. When you speak of turkey you think of Thanksgiving and Christmas and the cold that goes with it.

Winter is just about on us, and it would be time for Jeff's high school debs to take the moth balls out of their woolen socks and winter coats if they lived where it was snowing all winter long. But girls here are fortunate—the change in temperature is mild and not very noticeable. Yes sir! They can still look chic during the dreary winter months.

Their winter "garb" isn't much different. The only evident changes will be new, sturdy suits, sweaters to top blouses and pork-pies to hold their curls in place.

Most important on the wardrobe list will be that sturdy suit. Fashion experts have fashioned one that is both fetching and wind breaking. It can be had in any one of these lovely and always flattering colors—tawny browns and yellows, mello green, and warm red.

The wise girl will include at least one suit and bright wool frock in her wardrobe.

This week's bouquet goes to three smart girls. All Jeff saw them as they came prancing out onto the gym floor with batons twirling. They certainly looked "scrumptious" in white shorts, blouses and boots. We think an extra bouquet of orchids should go to each one for their first appearance.

The three sparkling majorettes were: Mary Sue Denton, Carmel Robin and Joyce Russel. Another girl who deserves mention was Esther Hanel who did those thrilling acrobatics.

Music

The first pay assembly of the school term will be given by the band, tomorrow afternoon. There is to be a series of programs put on by the music department to raise money to help defer the expenses of the new band and majorette outfits.

All students are urged to attend this program as the money is needed. The admission charge is quite nominal.

The program will be presented by a chorus of sixty voices. Some of the selections they will sing are: "I Hear America Singing," by Peter De Rose; "Ah! Sweet Mystery Of Life," by Herbert; "Can't You Hear Me Callin' Caroline," by Roma; and "Cielito Lindo," a Mexican folk song.

Other selections will include a piano solo, "Concerto in B flat," by Gloria Tooth, and the brass sextet will furnish a number.

At the Father's night program, last night, sponsored by all the local P. T. A. units, the brass sextet presented several numbers. The woodwind quartet also played several selections.

Sports

Basketball

Jefferson's 10's and 20's met defeat at the hands of the San Jose basketballers, last Friday. The game was played on the San Jose hardwood.

The 10's game was well played and hard fought, but toward the end of the game Jeff dropped several points to the opposing team. The score ended 23-15.

Don Welsh was high man with 13 points. Denning made the other two points.

Starting line up was: Welsh, Denning, Johnson, Petite and Mediel.

The 20's also lost their ball game due to inexperience. During the first three quarters they put up a stiff battle, but again experience told and the San Jose boys ran the score up in the last quarter.

John Rerecich was high for Jefferson with 7 points. Others who scored were Coen, 2; Knight, 4; and Chreisten, 2.

The score ended with Jeff on the wrong end of 30-15. The starting line was Coen, Rerecich, Chreisten, Bybee and Knight.

Stardusters Celebrate Third Anniversary

Members of the social club, Stardusters, celebrated their third anniversary, last Friday evening. The girls, numbering eight, went to the Russian Tea Room for dinner.

The celebration was also in honor of two new members who recently joined the club, Miss Emilia Bertini and Miss Mary Sue Denton.

Those enjoying the gala event were: Miss Adele Menjou, Miss Betty Morris, Miss Tillie Castro, Miss Betty Brewer, Miss Mary Heywood, Miss Violet Bullo, Miss Bertini and Miss Denton.

China Elephant

Dr. William W. Christley, Corydon, Ind., dentist, found a tiny china elephant in the debris of the 1937 Ohio river flood. He kept it. Since then, he has collected more than 700 toy elephants, big and little, in every kind of material from ivory to sponge. He keeps them in his office.

Cub Pack No. 149 Go On Treasure Hunt

Have you ever been on a treasure hunt? If you have, then you know what a good time members of Cub Pack No. 149 had, Saturday.

The boys left Daly City at 10 a. m. and went to Thornton beach for an all-day treasure hunt and picnic. Several boy scouts of Troop 149 went ahead of the cubs and laid the trail to the treasure. When the cubs came on the scene it was their duty to try to follow the trail to the treasure.

After the hunt, the boys settled down for a picnic lunch. Each cub brought his own lunch. There were 25 cubs and scouts who enjoyed the day. Cub Leader John Kinsey, 463 Irvington street, accompanied them.

Unwanted Silk

Because of the low American demand for raw silk, the fiber has been piling up unsold in Yokohama and Kobe, and reelers are trying to sell so as to get cash to buy cocoons.

S. P. CLUB WINS THIRD IN ROW

League Leaders Trim Golden Gate Council 14-5

Southern Pacific extended their 100 per cent victory record to a third win as they pounded three Golden Gate council U. T. C. pitchers for 19 hits, tallying a 14-5 decision at Jefferson high school field, Sunday.

The S. P. club climaxed the win in the sixth inning with an 8-run rally to knock Boland, council pitcher, from the mound. The winners started the scoring in the second inning with three runs, only to have the G. G. club even the count in the fifth frame at 3-3.

The railroaders, determined to take the lead and keep it, added two more runs in their half of the fifth inning so that the score read 5 to 3 until the 8 run rout in the next inning which put the game on ice.

Joe Prola, winning pitcher, who turned in a 3-0 shutout performance against Papenhousen Hardware two weks ago, held the Golden Gate batters to seven hits and struck out eight of them. The box score:

Temple Bar and the 12 Mile House A. C. played a tie game in the opening contest at Jefferson Union high school field, Sunday. The final score was 3 to 3, the 12 Mile team taking an early lead in the first inning to score two runs as a result of three hits.

In the third inning the A. C. nine picked up another run to run their lead to 3-0.

Temple Bar proceeded to shut out the opponents for the balance of the game, meanwhile scoring a run in each of the last three innings to tie the score.

Both games were supervised by the Daly City WPA Recreation department. The box score includes:

Beer at South San Francisco, 2 p. m.; Peerless Laundry clashes with Central Market at San Mateo, 2 p. m.

Announce Name Change For Ambulance Service

Leonard Stueher, managing owner of the former Daly City Ambulance, today announced a change in the name of the service. It is now known as the Peninsula Ambulance Service, and covers South San Francisco, Lomita Park, San Bruno and Daly City. The home station is still Daly City.

Last week, the crew was kept busy with several local calls. Mrs. Ida Wilson, 442 Winchester street, was taken to St. Mary's hospital when she was stricken with acute appendicitis.

The ambulance was called, Thursday afternoon, when a car went over a cliff near Lake Merced. They administered first aid to the driver who had several cuts. He refused hospital aid.

Jefferson Union high school's football field was the scene of two minor mishaps, Friday. Gene Serveau, Redwood City, and a member of the Sequoia football team, was taken to Junipero Serra hospital with a cut lip. Four stitches were taken. Another member of the team, Bob Sanders, Menlo Park, was rushed to Junipero Sera hospital with chest injuries. X-rays were taken for a possible fractured rib. He was taken home the same day.

James Edwards, 14, San Francisco, was walking along Skyline boulevard when he was struck by a car. The Peninsula Ambulanc service responded and rushed the boy to Ledterman hospital. He had a fractured right knee. The accident was a hit and run and as yet no identification of the car has been made.

Lloyd Dold, 21, San Francisco, struck a pole at Mission and Alp streets, early Sunday morning. He was taken to Villa hospital with scalp lacerations. He was released, Monday morning.

Colma "A" Loses To G. G. Yankees

Colma "A" team fell to defeat at the hands of the Golden Gate Yankees, Monday evening, at Marina bowl. They lost 2 and won 1. This puts them in a two way tie for fourth place with the Golgen Gate Dodgers. The "A" team has won 10 and lost 8.

The "B" keglers won over the South San Francisco team 2 out of 3 games. They now stand in fifth place in the league with a score of 6 won and 12 lost.

The "A" and "B" teams represent Colma Vista Grande Aerie No. 1848, F. O. E., in the Eagles Peninsula league.

Defense Programs

(Continued from Page 1)

mittees and chairmen have been set up:

Chief Andrew P. Chesney, fire committee; Chief James G. Reardon, police committee; Fred Collins, health committee; Arthur Bodien, water committee; R. L. Crane jr. and Howard McHugh will direct auxiliary activities of the American Legion and Veterans of Foreign Wars.

Bodien recently spoke before the student body of Jefferson Union high school and outlined the local preparedness program. He has also spoken before the executive council of the San Francisco area, Boy Scouts of America.

No Log Cabins

Although most American illustrations picture them in log cabins, the late Harold R. Shurtleff, in the Log Cabin Myth, published by Harvard University Press, states that there were no log cabins in early New England or Virginia. They built frame houses.

Marchbank Games See Veneto, Romey Teams Win

Veneto restaurant baseballers pounced on three Frank Newman Co. pitchers to win a decisive 14-6 victory in the first game, Sunday, at Marchbank field.

Ahern, Vento catcher, with 5 hits at 6 trips to the plate led the 19 hit attack on the losers. Scoring 6 runs in the first inning, the Vento boys sewed the game up early.

The Newman nine managed to connect with 11 safeties, but Dempsey, Veneto hurler, saw to it that the hits were well scattered, so that he was able to stay out of trouble during the entire contest.

This game was supervised by the Daly City WPA Recreation department. The box score follows:

Champions Begin Training at Winterland

Champions and near-champions of California ice skating have started training at Winterland for national competitions, to be held in the Bay region for the first time this winter.

State and Pacific Coast competitions, to be held prior to the national event, will also draw a number of entries from among those now practising at Winterland under sponsorship of Skate and Ski club.

Experts believe top honors for men skaters will go to Ed Bodel, San Francisco, this winter. Bodel is present State junior champion.

The California men's senior championship is now vacant. Bill Hart, San Francisco, gave up the title several months ago when Shipstead and Johnson took him into the Ice Follies at Winterland. Amateur skating mentors believe this rank will be a "natural" for Bodel.

Pretty Margaret Field, State junior women's champion, and another of the Winterland skaters, is heading toward the senior title, while her present rank will be the goal of Peggy Egan, now novice champion.

ABOUT TOWN - - -

Mrs. Agnes Wood, 39 Mission circle, had as her house guest, last week, Mrs. W. R. Weir, Reno, Nevada.

Among membership chairmen named for the twenty-fifth annual roll call of the American Red Cross, San Mateo county chapter, is **E. A. Weisenburger,** Lawndale. Other local chairmen for the drive, November 11-30, will be announced shortly, according to Mrs. George Montgomery, roll call chairman of the San Mateo county chapter.

Mr. and Mrs. Joseph Bocci, 62 Cavour, are the proud parents of a daughter born, October 13, in San Francisco.

Mr. and Mrs. Robert C. Caruso, 523 Brunswick street, are being congratulated upon the birth of a daughter, October 9, in San Francisco.

Mrs. John Steele, Misses Margaret and Julia Steele and Henry Steele, 475 Winchester street, motored to Redding, last weekend to visit Mrs. George Young, the former Miss Anne Steele. They reported having a wonderful time. George Young is announcer at the Redding broadcasting station.

Transportation Inventory

Beginning Friday, truck and bus owners of San Mateo county will receive questionnaires from the Department of Motor Vehicles designed to provide pertinent information relative to transportation facilities available in this area in case of invasion by an enemy power, disaster or other emergency.

The inventory is being made at the request of the Highway Traffic Advisory committee to the War Department and the National Defense Advisory commission as a part of the national defense program.

Two Children Injure Hands in Wringers

Five-year-old Shirley Melickler, 447 Irvington street, was taken to Villa hospital, Monday morning, when her hand was caught in a washing machine wringer at her home. She was later taken to St. Mary's hospital by Police Chief James G. Reardon.

Another accident of this nature occurred, Thursday, when Ralph Volpi, 4, 6634 Mission street, caught his hand in the washing machine wringer. He was also treated at Villa hospital.

Bertini Reports On Ford Production

"New car production will be somewhat curtailed during the coming year," announced A. J. Bertini, proprietor of National Auto company, Ford Sales and Service, when he returned from the recent new car showing at Oakland auditorium.

The Oakland Ford dealer meeting, an annual affair, entertained dealers from Northern California, Oregon and Hawaii. After critically eyeing the new models, Ford men agreed that these are the greatest cars ever built by their company.

Questioned on future plans and policies of National Auto company, Bertini outlined a comprehensive program offered the public by his firm, 7360 Mission street.

"Regarding new cars, we're going to sell the finest Fords ever shown in our display rooms," Bertini said. "We'll have nearly as many trucks to sell during 1942 as we've had during the past year. Our service and repair department is geared to handle an ever-increasing load of business. National Auto company realizes that with the prospect of rationed new car production, it is of paramount importance to keep our customers' automobiles in first class shape. We're prepared to do just that thing!"

Paint Store Receives Huge Decorating Guide

Rita Hayworth, co-starring with Jimmy Cagney in Warner Bros. "Strawberry Blonde," inspects a new home decorating portfolio, copies of which are now available here.

"WORLD'S LARGEST COLOR BOOK" IS LOANED TO LOCAL RESIDENTS

A new two square-foot portfolio of color-photos, showing hundreds of rooms styled by leading American decorators and color-experts, is now on display at A. L. Stockton Lumber company, 6100 Mission street, and will be lent to local residents who are planning to redecorate. In addition to more than a hundred photos of room color-schemes, the portfolio also shows scores of home exteriors demonstrating how a house can be re-styled with modern paint colors, according to the local paint man.

Shown in the photo above in the lap of Rita Hayworth, co-star of Warner Bros., "Strawberry Blonde," the Color Guide, as it is called, consists of huge color photos which were taken in some of America's finest homes. They show how American decorators now are using modern paint colors to achieve smart, new effects and backgrounds for both modern and classic-style furnishings. They also show how certain colors can make a room seem larger or smaller, lower or higher, warmer or cooler, cozier or more formal. All of the colors used, according to the local paint man, are available in ready-mixed paints.

The decorating guide was compiled by the color experts of the Sherwin - Williams Decorative Studios, who selected the photos from among two thousand rooms and homes submitted.

Arthur Quirmbach Announces Membership Of Public Information Committee for County

Arthur Quirmbach, Daly City's appointee to the San Mateo County Defense council, reported this week that the personnel of the committee which he heads, public information, had been named by General Chairman Earl P. Wilsey.

Comprising the committee under Quirmbach will be George McQueen, publisher of the Burlingame Advance; Mrs. Anne Brubaker, business manager of the San Mateo Times; J. G. Motheral, W. Blair Foster, and Albert H. Boynton, publisher of the Daly City Record.

Last Monday, Quirmbach addressed the Women's Emergency Service at the Benjamin Franklin hotel in San Mateo. He explained the county's role in civilian defense.

County Valuation

Assessed valuation of San Mateo county totaled $124,978,000 on September 2 of this year, it was announced in Sacramento, this week, by State Controller Harry R. Riley.

The county's taxable wealth thus increased $5,143,789 from last year's assessed valuation of $119,834,211, Riley said.

Indebtedness of the county was shown by the controller's report to total $413,000.

Jefferson Indians Bow to Sequoia, 6-0

The Jefferson Indians lost their second P. A. L. game of the season, Friday, to the Sequoia eleven. The game was a tight one and allowed only one touch down for the opposing team. At the end of the fourth quarter the game stood 6-0.

Sequoia's one and only touchdown was made in the third quarter when Lee Bloxham, Sequoia, carried the ball over for a touchdown after Welsh, Sequoia man, recovered a fumble made by the local Indians on the 18-yard line. After the fumble, it took four plays to make the six points. An attempted conversion failed, leaving the score 6-0.

Coach John Matthews stated the boys looked better and that with some improving on their guards' defense play and passing offensive play they will be able to do something with the old pigskin.

Bob Dyer was complimented by Coach Matthews for his fine punting. He also said the ends and tackles played a good game with Jack Faulk starring on the line. M. Huerta, H. Ferrando, R. Valente and Androli looked especially good in the back field.

Coach Matthews team expressed their wish for a speedy recovery of their quarterback, Jack Rainey. He received a badly bruised knee when he was clipped after making a punt. The boys hope he will be sufficiently recovered to play in Friday's game.

Next P. A. L. game will be with the Burlingame boys, Friday, at 3:30 p. m. on Jefferson's own gridiron.
